Cathedral 7th - 12th High School is an independent, Catholic, urban, college preparatory school committed to excellence and social justice. Rooted in Gospel values that include compassion, respect, and service, Cathedral embraces the rich diversity of our 350 person community and fosters a culture of inclusion, opportunity, acceptance, and empowerment. Cathedral provides students of all economic and faith backgrounds access to a high quality education propelling them to graduate and reach their full potential.

The purpose of the Adopt-A-Student Foundation is to further educational purposes by providing educational assistance to Cathedral High School for the school's general education mission including student scholarships, educational programs and teacher professional development. With the help of Boston's generous philanthropic community through the Adopt-A-Student Foundation, a high quality private education becomes attainable for families who would not otherwise have access.
